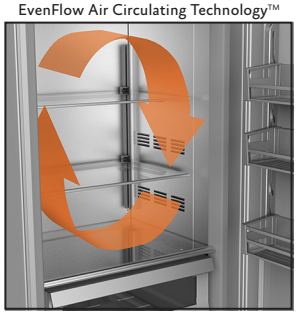
STANDARD FEATURES

HESTAN

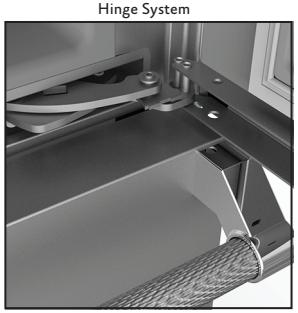
WINE COLUMN / WINE REFRIGERATION

- EvenFlow Air Circulating Technology™ consists of independent ventilation for each compartment, providing even distribution of cold air flow and allows for uniform and precise temperature control ensuring better food preservation.
- EvenFlow Air Circulating Technology™ moves air through the compartment around the sides rather than back to front, creating an air curtain when the door is opened, keeping cold air from escaping and saving energy.
- Concealed side-mounted evaporator design allows for a deeper interior than most cabinet depth, built-in refrigerators.

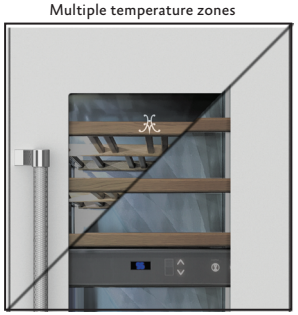
EvenFlow Air Circulating Technology™



Hinge System



Multiple temperature zones



- Triple-paned, bronzed glass door guarantees maximum protection from harmful UV light rays and helps maintain consistent interior preservation temperature.
- Can easily be combined and configured with other Hestan Refrigerator or Freezer models to fit your kitchen needs.
- The FreshSelect feature allows you to transform your bottom freezer into three independent electronically controlled cooling zones for maximum flexibility.:
  - ◊ Classic refrigerator zone: From 34°F to 46°F, the recommended pre-set temperature is 42°F.
  - ◊ Extend fresh refrigerator zone preserves fresh food longer. From 28°F to 36°F, the recommended pre-set temperature is 32°F.
  - ◊ Freezer zone: From -11°F to +9°F, the recommended pre-set temperature is -1°F.
- Soft-close mechanisms on every oak wine rack reduce vibrations commonly harmful to wine.
- Heavy duty and elegant stainless steel interior liner.
- Multi-LED light array (top and side interior) provides brilliant illumination to the entire interior.
- Robust and unique hinge system for smooth door opening and self-closing. Hinge opens within itself, so side cabinetry is not compromised.
- Marquise™ accented door handle with commercial grade end caps.
- Capacities:

  Wine Column: Dual Zone -36 bottles per zone, total of 72 bottles
  Wine / Refrigerator : Dual Zone - Upper Zone Capacity of 36, Lower Zone Capacity of 18 - total of 54 bottles
